How Can We Help You?

At HYD Advisory, we seek to truly understand you, your business and your financial goals.

Together, we work to establish a plan to achieve your financial goals.

We will guide you to build wealth inside and outside your business to achieve financial freedom.

You can create a bright financial future for you and your family.

Working with our partners in Finance, Wealth and Cloud, we offer you financial insights and can deliver effective strategies that get results.

HYD Accounting

- tax and accounting compliance – getting the basics right
- structuring your business – minimise tax and protect your assets
- focus on growth – challenging you to explore opportunities
- operational efficiencies – identifying areas of improvement in your business
- business innovation – strategies for business profitability
- cashflow management – strategies to maximise your business cashflow
- thinking of your future - business succession and exit strategies for owners

HYD Cloud and Real-Time Accounting

- cloud based solutions – building better systems for better management
- management reporting systems – integrated accounting, sales and production reporting all in one place
- benefits of the cloud – real time reporting for better decision making
- cloud accounting so you can access your accounting information anywhere, anytime

HYD Finance

- smart debt reduction strategies - to help you pay off your home mortgage (bad debt) faster
- maximising your borrowing capacity – using good debt to build wealth in residential and commercial real estate
- sourcing the best finance deal, personally and commercially - to save you interest and improve your cashflow
- negotiating with lenders on your behalf to get a better deal

HYD Wealth

- strategies to build wealth, improve your cashflow and reduce tax
- identifying opportunities to achieve financial security and independence
- managing insurance and risk to protect you, your business and your family
- estate planning - ensuring your wealth is protected and transferred as you wish
- strategies and structures for you to tax-effectively acquire new assets - including property and shares
- retirement planning, including self-managed superannuation

HYD Advisory is for you if you wish to:

- build wealth
- achieve financial freedom
- protect the assets you have generated - personally and in your business
- plan for long term business, financial and personal success
- legally minimise your tax

At HYD Advisory we work with you to encourage and support your success.

What's your *dream*?

HYD can help you.

“Over the last five years it has been a pleasure working with Mark Gocher and his team. Mark goes above and beyond by understanding clients needs thoroughly and proactively problem solving. His energy and professionalism always leaves a lasting impression on our clients.”

Alex Lee, Director of Thornton & Lee Pty Ltd.
(Financial Advisory referral partner)

“Mark Gocher & the HYD Team play a vital role in my business. We work with them in a number of ways and they are experts in structuring, tax strategy, growth planning and general advice. In an aggressively scaling business it has been integral to have a fast moving, innovative finance & accounting function who can grow with you and add value. HYD are overall a pleasure to work with and have been a big contributor to the success I have had in my business endeavours over the last 4 years.”

Jordan McCreary, CEO of
Opulent Wellness Group.

“Thanks Kylie Fiatarone, for your proactive advice in helping us to deal with the challenges of running a growing business and always responding promptly to our taxation queries.”

Shane Bukovinsky, Director of
Natural Ingredients.

“Mark Pinhorn and the team are more than just an accountancy practice. They listen, they call me, and they work with me, just like a partner in my business.”

Rob Fuller, Director of
Waratah Air Conditioning.

“We had another accountant, but there were always issues and problems they couldn't fix. In the end, we just asked Mark Pinhorn to look after everything, and since then we haven't had any problems.”

Peter Duncan, Director of
Cronulla Sutherland Automatics.
